

SHARP EYE . . . HERALD Carrier Rodney Clarke has a sharp eye and the medals to prove it. Here he displays some of the medals, patches, and certificates he has won as the result of his marksmanship on the rifle range. He will start shooting for trophies this spring. (Herald Photo)

YOUNG CARRIER HAS SHARP EYE FOR JOB

If 11-year-old Rodney Clarke misses the porch with any of the papers he delivers on his HERALD route on Sunday and Thursday morning, it won't be because he hasn't got the eye for it.

Young Clarke, the son of Mr. and Mrs. Gordon Clarke, of 1820 Martinette, has sharp eyes, and a fine collection of patches, certificates, and medals to prove it.

The young carrier picked up a rifle early this year and began learning to shoot under the expert coaching of Miss Ann Frickman, National Rifle Assn. instructor.

SINCE that time, he has won medals as a pro-marksman, marksman, marksman first class, and sharpshooter. In addition to the medals, he has patches awarded to him for qualifying as a sharpshooter, safe hunter, marksman first class, pro marksman, marksman, and a membership patch of the National Rifle Assn. Juniors for 1959.

A sixth grader at Torrance Elementary School, Rodney carries the HERALD twice a week in the Middlebrook-Gramercy Ave. area. He will start shooting in NRA matches this spring.

Girl to Give Winning Talk On Saturday

Miss Joyce Rowe, third award winner in the Lynwood Academy Temperance oration for the state, will give her oration Saturday at the 11 o'clock service of the Seventh-day Adventist church, located at the corner of Acacia and Sonoma Aves. in Torrance.

The Long Beach Junior Choir will render several numbers. Bob Tomlin will tell what God is doing at La Sierra College. Pastor Glenn Goffar's subject will be "Brother, Can You Spare a Life?"

WATERS RESTOCKED

Department of Fish and Game hatchery tank truck crews stocked catchable-size rainbow trout a total of 1,874 times in delivering 2,633,400 catchables to 173 roadside streams and lakes in Southern California and the Inyo-Mono area during 1958. This does not include the stocking of 4,188,750 fingerling trout and 862,435 subcatchable-size trout planted by the DFG.

AUSTRALIA STATUS

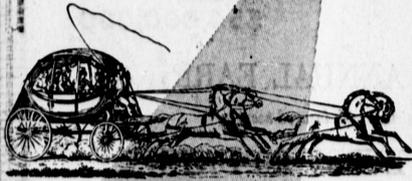

Australia was once known as New Holland. It did not become part of the British empire by a formal act until about the year of 1770.
